Customer Reviews

I purchased this for my daughter. She is very pleased with the book. It is easy for her to follow and has the music that she needs to learn for the Opera Performance at her school in the fall.

Thanks!

This book is as thick as a phone book, so if you want to put it on the piano music stand... well it's hard....The print quality could be better, and English translation is not so direct, but that's expected, and at least the translation is there, so I am very happy with this book.(example translations: Non piu andrai farfallone amoroso -> From now on, my adventurous lover Dove sono i bei momenti -> Are they over, those cherished moments)

Just like the old Schirmer hard-cover score, but in soft-cover. Chi al par di me contenta? Io. Eschiatti il signor Conte al gusto mio.

This book was purchased at the request of my child's voice teacher. It is currently in use. Both my daughter and her teacher are satisfied with this book

Great book to study with!

It was in perfect condition. Thank you.

Very clear, but for Mozart, I think the best will always be Bärenreiter.
