The Vampire Gift 7: Prophecies Of Light

Synopsis

Return to The Haven with the seventh book of The Vampire Gift series, free on Kindle Unlimited! ~THE VAMPIRE GIFT 7: PROPHECIES OF LIGHT~ Eleira has inherited the crown. The wards are resurrected, and The Haven is secure. But peace is only temporary. Eleira's deal with the Forsaken Sisters means that all she's done comes at a price of unknown costs. North of The Haven, James leads his makeshift coven on an impossible mission to penetrate the world's most dangerous military complex, in a desperate attempt to find the vampire cure he promised Cierra... Meanwhile, in The Crypts, Logan's power is growing. At any moment he might grow weary of waiting for Eleira's answer, and mount a full-on assault at the still-vulnerable coven. Unbeknownst to him, Beth and Dagan make their journey to a coven of truly ancient vampires, hoping to solicit help in their rebellion against the King. Inside The Haven, warring factions are on the verge of breaking out, even after Eleira's ascension to the throne. Phillip's great betrayal will be impossible to forgive, but even it pales in comparison to the greater evil lurking beneath the earth. Get ready to immerse yourself in the brilliant world of The Haven with the next installment of The Vampire Gift!
