Frommer's EasyGuide To Cuba (Easy Guides)

Synopsis

With widespread travel to Cuba finally permitted to Americans, a large audience will enthusiastically welcome this authoritative guide written by a leading expert in travel to the Caribbean's largest island-nation. Claire Boobyer, a British citizen who has been spending months each year in Cuba since 1998, is a frequent speaker on Cuba to prestigious travel organizations, a featured television commentator on Cuba for the BBC, a leader of tours to Cuba for the Smithsonian and other groups, a writer on Cuba for Britain's The Telegraph and other newspapers. She has carefully designed her 288-page Easy Guide to Cuba to emphasize her choices of the best facilities and attractions for those Americans who are now able to make the trip.

Claire Boobyer has more than 14 years of experience working in Cuba as a travel writer and photographer. She has also guided small groups of people around Cuba, and worked with Smithsonian Journeys, National Geographic, and the New York Times bringing licensed American groups into Cuba. She is the author of previous Frommer's Cuba guides, and she writes travel and cultural articles about Cuba for magazines, newspapers and online media. Claire understands most colloquial Cubanisms, dances Cuban salsa, and is greatly honored to be called 'almost Cuban' by all the people she has met across the island during the last 16 years. She divides her time between London and Cuba.

This is a 1st class guide book. We took it to Cuba on our January, 2016 trip all across the country. It

was indispensable.

I thought it had a great section on the history. I was just there and the hotel that we stayed in Havana was not up to par, which agrees with Frommer's assessment.. There is an excellent amount of detail and it's current.

Love this guide book because it was published only a few months ago but I'm frustrated at the quality of the accompanying maps. In-book maps don't show location of places mentioned in text. I was unable to locate the Jose Marti International Airport without using Google. No color plates; a few would have been nice.

Very good guide we used on recent trip to Cuba... included map was very helpful. This guide, and a little research on TripAdvisor, is all we needed!

Just returned from Havana. Guide was very helpful and realistic. Had a wonderful time exploring on our own.

Great guide for first time travelers. Pack of detail information and the map is very helpful when your cell phone has no service.

I'm not sure the writer ever visited Cuba. Most of the information was wrong and a lot of their recommendations were on the touristy side.

fine
