Beneath Copper Falls (Rock Harbor Series)

Synopsis

Dana has already learned that love isn't safe . . . but could it be different in Rock Harbor? As a 911 dispatcher, Dana Newell takes pride in being calm in tough circumstances. In addition to her emotionally-charged career, she's faced enough emergencies in her own life. She recently escaped her abusive fiancé to move to tranquil Rock Harbor where she hopes life will be more peaceful. But the idyllic town hides more danger and secrets than it first appeared. Dana is continually drawn to her new friend Boone, who has scars inside and out. Then she answers a call at her job only to hear a friend's desperate screams on the other end. Soon the pain in her past collides with the mysteries of her new home and threatens to keep her from the future she's always wanted.

Customer Reviews

As all the Rock Harbor Series books, Beneath Copper Falls was excellent. I love the Christian theme, the love of family & animals, the beautiful UP setting, and the twists and turns of this well-written story. Since this is a recently-released book, I hate to have to wait for the next book in the series, if, Ms. Coble intends to write a sequel?!

I couldn't put it down! This was a quick read because I just couldn't stop! Now I will have to start at the beginning of the series since I have not read any of the Rock Harbor but this newest one, I'm intrigued.

Very exciting read. Couldn't put it down. Kept you guessing until the end who was really the guilty party. I'm not a mystery lover usually. It this was great. Another great book by a wonderful author.

Very good book. I really enjoy Colleen's Rock Harbor series and was so glad she wrote another in this series. However I really enjoy all her books.

All of her books, especially the Rock Harbor ones, never disappoint. These are books to purchase and read again and again.

Love all the Rock Harbor series. So great to have old familiar characters back and new characters interact. Please write more Rock Harbor novels.

Colleen Coble has done it again, great story from Rock Harbor!!!! It has great and twisting plots. It was nice to be reunited with Bree and her family, plus Samson. I hope Colleen will do more from Rock Harbor!!!

I couldn't put it down! It was awesome! Well written, great characters, riveting storyline.
