A fun book for curious minds! Not much I can say except this will be a fun read over the long, cold winter months where I live! It never hurts to fill one's mind with assorted trivia and facts!

Flip to a question about 'Between Dodgers and Yankees in 1991 world series game seven...something...Refuse to look any further. I live in Minnesota and was fourteen when the Twins beat the Braves that year.Garbage

Would be an OK book of trivia but there are numerous incorrect answers and poor spelling/grammar. The book needed proof reading before publishing. We also do not like the way the answers are proved at the end of each section. It is hard going back and forth from the

questions to the answers.

thanks
