Triple J's Fantasy Football Report: The Ultimate 2017 High Stakes Fantasy Football Guide

Synopsis

Triple J and Scott's 2017 High Stake Fantasy Football Guide is the perfect fantasy football guide for fantasy football players of all levels. This guide includes a team by team breakdown, review of actual 2017 draft boards, and the top 20 fantasy players for each major position group. Triple J's Fantasy Report will help you succeed at both the high stakes and local league level. Every year fantasy players read articles, guides, and blogs from "so called" experts who all have one thing in common, they have never competed or won at the high stakes level and their opinions and advice have amounted to nothing. Triple J has proven year after year he is a top fantasy player winning High Stakes leagues consistently and he is now working with Scott Bolton one of the best DFS and High Stakes Fantasy players in the world to bring you this guide to help you win your 2017 Fantasy Football League.

Customer Reviews

The guide is great , the format is excellent, and I really enjoyed the draft boards. Nothing like seeing the actual ADPs in action. In 2018 I would definitely like to see more explanation on selections but

all in all a good guide!

Concise and to the point, a Great tool for both the Fantasy Master and Novice. I 'm going to recommend this report to all my friends...well just the ones that I'm not in league with =)

Lots of great information from high stakes drafts included in this book. A lot of faces to help you in your draft. The writers of this book make me never want to buy another liberal run espn magazine again.

this might be the Donald Trump of fantasy football books . I felt like I was reading " make fantasy football great again " , I hugely recommend this for the fantasy football patriot . NOBODY knows fantasy football like these guys , TRUST ME I KNOW . #MFFGA
