## Customer Reviews

Gr. 3<sup>^</sup>-5. This large, colorful paperback presents party ideas based on the American Girls characters. Each of the six American Girls is featured in a chapter with three party themes complete with instructions for invitations, decorations, food, games, and craft activities. For instance, Josefina fans can read about a New Mexican party, a harvest celebration, and a fandango, and girls who like Molly can consider putting on a home-front party, a summer campout, or a Hawaiian hula party. The book is brightly illustrated with colorful photographs of party foods and favors as well as paintings and photos of girls enjoying the fun. Diagrams give step-by-step instructions for the party particulars. This engaging guide is sure to please American Girls fans. Carolyn Phelan

Nice collection of party ideas for American Girl Doll fans.

Next party is an American Girls themed party!

This book arrived extremely fast! I was impressed. I was even more impressed by the quality of the book when it arrived. It's great and my daughter is thrilled. Thank you!

The American Girls Party book offers 18 different theme party plans that accompany the dolls and books made by the same company. "Since the earliest days of America, American girls have found lots of ways to celebrate--picnics, dances, barn raisings, fairs, teas, and victory shows." The authors teach children how to plan ahead for their special theme party. This book offers wholesome ideas for celebrations; from home-made party invitations (with patterns) to recipes for special easy to prepare dishes, to timeless party games, musical suggestions, and decorating ideas. The book is replete with elegantly laid out color photos of real American girls and the party fixings, celebrating all the joy life offers. I'm sure your little girls will enjoy this book as much as mine do. It teaches children that they have the ability to create something wonderful and share their creation with others. A feel good book!

This is a great book! My daughter loves all the party ideas and is already planning Molly's Luau for our summer BBQ! It's a fantastic find and has very detailed plans.

This book shows wonderful games and treats for American Girl Parties that you can have at home. It even gives information about why and what kind of parties Felicity, Josefina, Kirsten, Addy, Samantha and Molly had. My sisters said that they both want to have parties about their American Girl.

I bought this book in preparation for my daughter's American Girl themed birthday party. It was great! It had simple recipes, craft ideas, party activities... and the instructions were easy to follow. We had a lot of fun.

Very pleased
