Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." — Chicago Tribune
"The best option | Color photos, maps, and diagrams bring the place to life." — The Philadelphia Inquirer

Just returned from a 16 day trip through Northern Spain. The DK Guide was accurate and up to date. Since we were on an organized tour we didn't need the hotel recommendations, but the descriptions of the regions and the cities were up to date and useful for the "on your own time" during the tour. The maps were useful and accurate. Also, small enough to carry in a daypack and not heavy. Wish I would've bought one for Portugal where we went on the last 6 days of our tour.

This was a valuable source of assistance during my travels in northern Spain in late winter of 2014. The region has many, many architectural and historical sites, and (being Europe) layers upon layers of history. Of at least equal interest are the several regional cuisines that include various wines, cider and cheeses. The DK guide was very, very valuable. Be forewarned that unlike other parts of Europe few people are English-speaking and one must prepare.

The book is like new and much less expensive. I am very happy with my purchase.

This is a very informative travel guide for a part of Spain less visited.

I'm not sure I will stick with DK. It missed a lot of interesting sites. I was told to go with Michelin.

Although we only used the book for Santillana del Mar/Altamira, it was well worth it. The gorgeous photos really make me want to return to the area and see more.

Great for anyone who is going to Northern Spain.

Love Eyewitness !
