WEIGHT WATCHERS ANNUAL RECIPES FOR SUCCESS 2007

A lot of creative, unique recipes that everyone will enjoy, not just those on weight watchers. I really enjoyed making the potstickers -- they were only 2 points each! Some of the recipes call for expensive or hard-to-find ingredients but there are plenty in there that don't.

I got this book wanting some more great recipes in order to stay on the flex plan. I tried recipes and even recipes that stem from my favorite sandwich (a reuban) such as the Reuban pinwheels were so bad and anything but flavorful. If I am going to take the time to buy the ingredients and make them after buying the book from Oxmoor House at top price you bet I want at least some of the things to become favorite recipes. Sadly I now have a book I will never use again.

great

i have loved every recipe in this book, received it quick and it was in excellent condition
