Customer Reviews

This is without doubt the most detailed travel guide on Kalimantan,the place,the people,history and culture.Despite the fact it was written about 20 years ago it is still very relevant although obviously some of the info on Hotels etc is a bit out of date.It is just too bad that they have not updated with a new revision.Its about time.This is one of the most amazing Islands on the planet and nobody knows.For anyone planning to travel to Borneo this is a must read and a great way to educate oneself
