Mozart Cadenzas / Piano (Alfred Masterwork Edition)

Synopsis

Many of Mozart's own cadenzas are preserved, but many more that he improvised in performance were never written down. In that spirit, famed pianist Lili Kraus sensed an obligation and a challenge to follow the tradition of using her own cadenzas where no original was available. This collection, then contains Mozart's original cadenzas as well as editorial versions by Ms. Kraus for Concertos 1-27.

Customer Reviews

This wonderful collection of cadenzas to all the piano concertos by Mozart includes ones by Mozart himself in addition to ones composed by Beethoven as well as Lili Kraus. This is a welcome addition to any piano teacher's library, especially to anyone who teaches the Mozart Piano Concertos to their talented students as I do. The copy arrived in due time and is actually in very good condition, almost new like. Most of the pages have not been used.

Good complete reference for Mozart Piano concertos. Most cadenzas are by Mozart, a few by Kraus when no original Mozart cadenzas can be found and Beethoven's cadenza on the famous Dm concertos.
