Work Trips And Road Trips: The Insightful Guide For The Curious, The Restless, And The Adventurous Freelancer (Insightful Guides For Freelancers Book 3)

Synopsis

As an established freelancer, the world is your oyster. You choose when, where, and who to work with every day. How do you make the most of it? *Work Trips and Road Trips* is a book for creative solopreneurs who want to wander and wonder at the world. These stories, interviews, and prompts give you many paths to the same destination – a life of adventure and meaning. Get inspired by established freelancers and solopreneurs who all work in the creative industries.

***We're grateful *Work Trips and Road Trips* has been reviewed by amazing people we greatly admire: Annie Daly, branded content editor at Self Magazine: "A must-read for all freelancers with a serious case of wanderlust who want, more than anything else, to create a life they never feel the need to escape from." Kathi Kamleitner, editor at Travelettes.net "A creative inspiration, thoughtful reminder and encouraging guidance all in one. Monika gets you thinking about your life choices, next business steps and as always your priorities." Katy Cowan, founding editor of Creative Boom and MD at Boomerang PR: "Through her new book, Monika yet again shows us how to free ourselves from the chains of conventionalism and live a different, more adventurous life where we can thrive and be successful without following a traditional path. Worth your time!" Emma Gannon, author and host of CtrlAltDelete Podcast: "This book is not a fairytale story or book of inspirational quotes, it is full of solid advice that you will keep with you throughout the rest of your career." ***We've interviewed Dani Bradford, Vanessa Bruckner, Theresa Lachner, Lauren Hom, Michelle Pauty, Becky Burton, Yana Gilbuena, Kayleigh Owen, Julie Miller, Laura Karasinski, Yasmine Kerkmark, Natalie Howard, Kaitlyn Reed, Stephanie Danforth, and Liz Wellington for this book. #SMARTCREATIVES

Customer Reviews

When it comes to making the transition into being a digital nomad, there is no one path and there are no definite answers. As I've gone through this process myself, what has helped most in moments of panic or wondering if I'm doing the right thing has been having conversations with others who have gone through the same process. While they can't give me the answers, knowing that I'm not alone and hearing about how they were able to figure it out gives me the confidence to make the choices that work best for me. What Monika has created with "Work Trip and Road Trips" is an easy way to "talk" to a ton of folks who have gone through this process, learning from their experiences and gaining strength from their words of support. No, it won't give you the answers, but it will give you the confidence to answer the questions for yourself. I highly recommend it for anyone considering a digital nomad lifestyle or in the early stages of making that move.

This is the third nonfiction guide for freelancers by Monika, and readers can expect the same inspirational and knowledgeable advice from her first two books in this one! Words can't express how encouraging this installment is...It's realistic, it's wise, it's thoughtful, and it's insanely helpful to anyone in the creative industries who are seeking a change in their lifestyle so they can see the world while working - or not! Because everyone deserves a break. But don't be mistaken, it's doesn't deliver the whimsical quit-your-job-spend-all-your-money-on-plane-tickets wanderlust message. It's raw and honest and practical, making it a valuable resource for anyone who simply wants to travel more! Simple as that!

I'm a fan of all of Monika's books. I love the practical advice wrapped in the stories told for interviews. Admittedly as a freelancer who travels a lot, they're very relevant to my life - especially this one! Really appreciate hearing real life stories on how freelancers budget for travel. There's

always more you don't see behind the pretty Instagram photos and WTRT uncovers that reality. Of Monika's books so far, this one is definitely my favorite because of the essays/chapters she wrote. Those are the parts that are all dog eared and underlined in my copy. Pick this one up if you can!

I absolutely loved Monika's book. Having gone from full-time work to freelancing and full-time travel in the last 18 months myself, there are so many adjustments and lessons and this book came at the perfect time for me as I reflect on where I've been and look towards the next year. Monika's portraits of women traveling - both for work and for pleasure - while building businesses and just generally living life to the fullest are the perfect inspiration for anyone looking to redefine their careers and their lives.
