IRL Porn: One Woman's Journey Through The World Of Live Sex Shows

Synopsis

We're all used to encountering even the most hardcore porn from the comfort and privacy of our computer screens, but how many of us would go see it live? Thought Catalog editor Chelsea Fagan did, spending an evening in the world of live sex shows and hardcore pornography. Here, she gives us the guided tour to everything from rules about condoms to the pressure of facials, showing us a world that is at once completely familiar and something we've never quite seen before.

Customer Reviews

Not a story for the meek or conservative, this tale tells what the audience would experience at a live sex show. Chelsea tells it like it is, warts and all, and gives an objective view of this unusual world, with a few laughs thrown in!

A really funny account of Chelsea Fagan's journey into a live porn theater. The brilliant metaphors about the 'acting' made me burst out laughing in the metro several times. I especially appreciated that the author stayed open-minded throughout the story, keeping a critical mind without being judgmental.
