Customer Reviews

For starters, it would have benefited from editing and proofreading .There were many glowing errors that could have been resolved by fact-checking (Cardiologists don't do surgery.Houston's space center is not even close to the dome or the zoo).A lot of things just don't make sense.

Cory and Jordan's love story is warm and tender , the young doctor who survived adversity and Jay the EMT ambulance driver tormented by his accident become friends and a miracle of prayer and belief bring all these people together

I thought it was an unrealistic , light "piece of fluff" Perhaps some could relate but I couldn't, unfortunately. Will stay with my preference of historical fiction in the future.

Picture book ending that I will recommend to my daughter, daughter in law and granddaughter then to friends in general.

Predictable...simple...easy read...nice ending but no surprise...it was okpredictable

Beautiful story, with an even more beautiful ending . It truly is a tale of everlasting love that transcends the problems life can put in the way.Loved it!!

A heartwarming novel. This is,the type of book that makes you happy. I enjoyed reading this from beginning to end.

Plot twists were well done! But for me just a mediocreRead!
