Dragon Kin: Lily & Oceana

Synopsis

The Dragon Star has chosen again - and this time, it must be mistaken. Lily is off to an elf wedding with her friends, which might be a fate worse than death. So she thinks - until she sticks her fingers in the water of a river far from home. What she finds will change her life and challenge the bravest dragons she knows. And might involve some accidental dragon soup. Dragon Kin: Lily & Oceana is book two of a new fantasy series for readers of all ages. If you love dragons, ordinary heroes, and bravery that has to be earned one day at a time, we hope you'll give Dragon Kin a try!

Customer Reviews

As is typical of Audrey Faye, the Dragon Kin series is populated with loveable characters, detailed imagery, and fresh storylines. Audrey Faye writes my favorite brain candy, but even as I savor it, I'm reminded of life lessons that are timeless. I'm also left craving the next installment!

The Dragon Star makes it's choice and it again challenges the elves and Dragons to a skill set they

never expected to need for their survival. Frustrations abound. Nice progression from Dragon Kin #1.

It seemed kinda short to me. Did not get much background on elf or the new type of dragon. It did advance the main story a little bit. Hopefully the next book in series will be better.

This is Audrey and her daughter at their best. Warrior dragons learning to swim, friendships made and fears conquered all told by authors with hearts bigger than the world

I have long since enjoyed the writings of this wonderful story teller. Another hit. Already impatiently awaiting the next. Jump in and enjoy.

Great read, nicely developed characters, and intricate plot by my favorite author and her daughter! Can't wait for the next in the series!

Love this style of writing. A warmth, a sense of innocence, but serious and deep at times as well and not without evil. Enjoy the humor too. Can't wait for the next one!

great book
