The Dance On The Moons Of Serenity (Perseus Gate Book 3)

Synopsis

Everyone deserves a day off, right? That's just what Jessica and Cheeky are enjoying when a pair of old "friends" show up and force them to smuggle weapons into the Serenity System. On their own with just a small interstellar pinnace at their disposal, Jessica and Cheeky aren't going to let someone else force them to smuggle weapons (especially when there's no profit in it for them) and they take control of their ship and escape. Unfortunately, they still end up in the Serenity system...with the weapons. Now they must unravel a tangled web of deception in a highly stratified aristocratic society to learn the intended recipient of the weapons. Attending a series of gala events, Jessica will have to use a particular set of skills she's acquired over the years (as a TBI Agent, seriously, people) to start a war between two aristocratic families. What could go wrong?

Customer Reviews

You never know what Cheeky and Jessica will get into. Made to smuggle weapons and then in the end finding out that what they thought was true wasn't!!

Good book that takes some surprising twists. Series is hood and some surprising characters. Yes I recommend the series to everyone.

enterasting,and fun read.

Cheeky & Jessica out for a break, when suddenly they find themselves forced to smuggle weapons, they make a daring escape and the adventure begins anew. Another excellent read from M. D. Cooper, starring two fearless women caught up in a mystery that must be solved, while dancing on the Moons of Serenity.

Jessica and Cheeky have an unexpected adventure after they are kidnapped from a spa. A SPA?! As always, MD Cooper keeps the action and surprises coming! Five star novella!

Love these whole series of books by MD and similar books. These stories will be the reason why I will continue my prime account!

A quick easy book to read. I like the characters and the action is quick. Three stars for this book
