Believing Jesus Study Guide: A Journey Through The Book Of Acts

Synopsis

What does it mean to *truly believe* Jesus? Not just believe *in* Jesus, but actually *believe* what He said—and shape our lives around that truth? How would that affect the choices we make? The way we see the world? The way we conduct ourselves with other Christians? In this eight-session video Bible study (DVD/digital video sold separately), Lisa Harper answers these questions by looking at the lives of the believers in Acts and how Jesus' command to spread the gospel forever shaped their lives. You will hear how Peter turned tables on his Benedict-Arnold behavior and became a church-building saint when the power of the Holy Spirit came over him. How the first believers were so gifted at giving they made Santa look bush league. How it cost Stephen and other early believers their very lives to follow Christ. And how Paul's case proves God's grace can change the worst of sinners, making us willing to have our lives interrupted by God and boldly share the gospel to the world. Today, we are faced with the same decisions the early church faced. Will we, like them, truly *believe* the words of Jesus and allow them to transform every part of our lives? Sessions include: The Declarations that Define Us Earth, Wind, and Celestial Fire Checkered Pastors Can Make Incredible Preachers What's Mine Is Yours Loving More People, More The Need to Be ReGospelled Turning Your World Upside Down Bearing the Chain Because Designed for use with the *Truly Believing Jesus Video Study* (sold separately).

Customer Reviews

Lisa Harper is a hilarious storyteller and theological scholar – a gifted communicator whose writing and speaking overflows with colorful, pop-culture references that connect the dots between the Bible era and modern life. Her God-given ability to not merely teach the Word but package it in a way that stirs the heart and calls to action is incomparable. For six years Lisa served as the director of Focus on the Family's national women's ministry where she created the popular Renewing the Heart conferences. The next six years found her serving on the local level as the women's ministry director at a large church in Nashville. As the author of nine books, and a Masters of Theological Studies with honors from Covenant Seminary, she is now a sought-after Bible teacher and speaker currently featured on the Women of Faith® tour.

I found the Scriptures that were noted didn't give a conclusive answer for the questions that were asked.

This is a good study on the book of Acts. Ms. Harper is an excellent writer and includes much pertinent information. The homework is interesting without being intense. The DVD is well done and enjoyable.

You've got to see the videos that go with this! She's very genuine and will have you empathizing with the apostles in no time.

reat book really enjoying it

I absolutely loved this study! Lisa Harper is an amazing teacher. This study is so deep but the way Lisa presents it, it doesn't go over your head! I will definitely look into her other studies!

Our entire ladies group at church are presently doing this as a study .. it is awesome..Lisa Harper is comical and sincere at the same time ..You will come to love her laid back style..

Really good, detailed study of the book of ACTS, a new perspective on women's help in N.T.

Love this study! I really enjoy Lisa Harper's studies and her humor, but this study has really made me realize just how much God loves us all and uses everyone-no exceptions!
