Healing Colon, Liver & Pancreatic Cancer - The Gerson Way

Synopsis

This booklet introduces Dr. Max Gerson and reviews the founding principle of the Gerson Therapy, that cancer and most chronic diseases are able to manifest in the body because of toxicity and nutritional deficiency. Charlotte Gerson gives an overview of the Gerson Therapy and reviews some of the methods used in the Æ Æ program. Also included are case histories of Individuals confronted with colon, liver and pancreatic cancer and how they overcame them using Gerson Therapy.

Book Information

Customer Reviews

Great book. Has testimonies as well as treatment protocol.

Very informative.

GREAT READ

This is like a tiny, short brochure that would normally be labled "Free, Take One" in a lobby. All this does is advertise actual books with cover photos and short synopsis and give you information on how to mail order them. Just a fair warning I wish I had before I spent \$10 (with shipping) on this.
