The Boyfriend Contract

Synopsis

Conrad Ripley is a gorgeous hockey player at my high school. He also used to be my best guy friend (aka: secret crush) until he rejected me and my lame attempt to finally get out of the “friend zone.” Let me tell you, it was awkward. After that we barely talked for a whole year—though we had signed a contract and everything when we were twelve.“Best Friends Forever.” Then out of nowhere, he moved away without even telling me goodbye—ouch! However, now he’s back. Only he didn’t even tell me! I accidentally ran into him—that’s how I had to find out—and then I almost did a face-plant because, oh my gosh—he’s even hotter. (Didn’t realize that was even possible.) But yeah, he’s smokin’ hot. But if my annoyingly gorgeous first love thinks I’m going back into the friend zone—no way! Unrequited love hurts. So I hired a fake boyfriend. A hot one that will keep me distracted, and keep Conrad on his toes and at a safe “friendly” distance (and maybe even jealous??). Nothing can go wrong with this plan, right? Wrong! My hot fake-boyfriend seems to keep forgetting we’re fake. This is NOT helping my tortured teenage heart, it’s doing quite the opposite, and it’s not doing much for my grades either—since it’s hard to concentrate when your first love is suddenly looking at you like he wants out of the friend zone too. BUT he’s now dating a cheerleader | so excuse me while I bash my head through a wall, and apply for a heart transplant (and an eye transplant too—since I want to poke out my eyeballs from seeing them together.)

Customer Reviews

When I first discovered Ms. Marks, I really admired her. My first book by her was 'His Kiss', the Ally and Griffin story. I loved it. It was pretty original in my opinion - I hadn't seen another really similar to it. So I had motivation to buy more of her books. For the first few, there were some more minor similarities between the books, like scenes, lines, etc. But that was forgivable, because they were in the same genre and by the same author. However, as I read more of her books, things started to get a little... annoying. A huge part would be copied over from another book, with some changes of names and stuff, and placed into the book. Things got unacceptable for me when she copied a whole book, changed some names, and published the same work. There are more, but I'm gonna give you guys an example. 'Jane's Air' and 'Love Liam' were totally the same. I was furious, because I paid twice for the same book. Now for this book. It wasn't 100% copied, but I could spot some copy and paste scenes from her other books. I don't even know why I bothered with buying her books after more than 20 disappointments. She could use a dictionary expansion, and to stop copying book to book. I see potential for better in her work.

Take me back take back take me back that is exactly what this did I felt like I was back in school watch all of this unfolding. First love, best friend to girl friend I truly enjoy reading there journey.

I really enjoyed this one! I thought it was a cute love story.
