## Customer Reviews

I purchased this as a Christmas present for my sister-in-law. She was very pleased with the illustrations as well as the diary itself as even though she uses a calendar in her smart phone, she likes the old-fashioned process of writing down her appointments and daily activities.

I use this at my desk at work to record phone calls and it reminds me of my wonderful trip to Barcelona numerous times every day. I love it - 2014 is my 7th one.
