This is one of the nicest Bibles I've ever purchased. It is exactly what I've been looking for. The thumb tabs remind me of being young with my parents at church. The nice leather feeling gives it a nice slap feeling, so when you are preaching you can slap the back of it and it sounds so pure and natural. Im not a preacher, but I like to talk sometimes to my wife about the Bible, and slapping the back off this beauty while declaring the Word of God will be a fun occasion. This Bible feels right in your hands. The font size is perfect, I was worried it would be too small.

I sent one to a friend in prison and I also got one for myself. Paper is a little thin and can see through to the next page but it's not a big deal to me. A nice bible to carry with me everywhere I go :)

Wow, I am impressed with the quality of this bible. Very well put together. Love the tab feature. I've never had those before so they are really nice and beneficial for a quick turn to in order to be able to follow along in a lesson, especially when you are trying to quickly find those really short books that are only a few pages long. The bible itself is absolutely beautiful to look upon. The outer design is so gorgeous. It reminds me of the fancier old fashioned bibles from longer ago. Stitched together nicely. Holds up under regular use. I wish I could find this same exact bible a little larger with a larger print, but that's only because I like to write in my bible and I like the room to be able to freely do that, but I still love this one even so. Very happy with my purchase. I greatly recommend.

A great quality Bible for a great price. Sometimes with these size Bibles they print the text too small or make it difficult to flip through sections. With this Bible, the text is the perfect size and they have indents in the pages that make it easy to flip between sections. The quality of the paper is excellent and the printing is very good quality. I cannot find anything wrong with this Bible and I enjoy using it and reading it. If you want an authentic KJV of the Bible, this is the one to go with!

It's a good bible. I wish it had notes and references. I do like it has reading the bible in a year and references for if you're feeling a certain way or if you want to pray for something or someone.

I ordered this bible because of its size, cover appearance, and lack of commentary distractions. However I have already found a problem in the text. Throughout this bible publisher includes subject headings to summarize the section you are about to read. In the attached photo you can see in that at the end of Job 1:5, they have accidentally added the header to the end of the scripture. "Satan Asks to Test Job" should be bold and in between verse 5 and 6. Instead the header is in regular font and placed at the end of the verse. Some may not think it a big deal, but for me this is a problem. I am disappointed in this error and hopeful that I do not find other mistakes from the publisher. Even though this bible is really nice and is exactly what I was looking for, the text is the most important feature of any bible and so I am considering returning it. **Update: I spoke with the publisher and they are aware of this error, but continue to sell the bible. They said they have no plans on correcting it until their supply of this faulty print runs out. They say it could be four to six months. I asked if they were aware of any other printing mistakes and they said no.

So pretty!! All my at church like it. It's not too big and not too small, its perfect and appropriate! And I

LOVE the resources it has on the back when you're feeling down and such it gives you encouraging scriptures and other things! :))

Don't know what other reviewers talking bout. Spelling correct. Jesus words in red. Great quality bible with goldleaf edged pages. Leather stamping with beautiful scrolling. Easy tabs. Study guide in back. Ribbon bookmarked. Suggested reading for certain crisis or needs. Old and New Testaments. Proud to own this gift from my mom.
