Seamless: Student Edition (Member Book)

Synopsis

Seamless is a six-session study that covers major events from the Bible, tying them together into the greater story of Scripture. The goal is to lead girls to a complete understanding of God's story as seen from Genesis to Revelation.

Customer Reviews

Angie Smith is the wife of Todd Smith (lead singer of Dove Award-winning group Selah) and author of *Chasing God*, *I Will Carry You*, *What Women Fear*, and *Mended*. She also has written two children's books, *For Such A Time As This* and *Audrey Bunny*. Along with being an accomplished writer, Angie speaks to and encourages thousands of women each year. She lives with her husband and daughters in Nashville, TN.

I've just starting this. My friend recommended it to me. The author really breaks things down for the reader. I struggle understand the Bible at times and have always given up. This opened my eyes to what all I've been missing. I can't wait to finish and start reading the Bible again. Everything is going to make so much more sense. If you're creative like me then you'll like the margins. I doodle and write comments on the sides. Also, it has a video series you can watch. I'm skipping that part for now.

This is an amazing bible study! After buying this for me, I purchased 10 more copies for friends! The

bible comes alive!

It came highly recommended, I just didn't care for it. Too fluffy and not enough depth.

Great bible study! It connects the greater plan of God from Genesis through Revelation. Angie Smith is engaging and easy to read.

This is an awesome introduction to the story of the bible. It is key to do this as a beginner, it helps make so much sense and the bible isn't so daunting. Only one spot in the book where she flew through and it got confusing (about 2 pages). I will keep this study because it a great reference to go back to.

So excited my book arrived! I can't wait to use it during small group!

For a 14 year old girl using it, it is a marvelous way for them to become extremely interested in God's Word.

Best study I've ever done!
