The Bare Bones Bible® Handbook For Teens: Getting To Know Every Book In The Bible (The Bare Bones Bible® Series)

Synopsis

Bestselling author Jim George adapts his popular *The Bare-Bones Bible Handbook* (over 100,000 copies sold) for teens. This fast and friendly overview of every book of the Bible will inspire teens to explore the wisdom and truth of scripture as they discover: What is the major theme of each book of the Bible? What are the most important lessons for everyday life in each book? Who are the key characters, and what do they teach us? What are the key events in each book? This fascinating survey also includes sidebars geared to a teen's interests and life, giving them a solid foundation of knowledge about the most important book ever written. And Jim George's ability to make complex topics understandable will have readers referring to this resource again and again as their faith and wisdom grow throughout the years. A must for every youth group and leader.

Jim George and his wife, Elizabeth George, are Christian authors and speakers. Jim, author of *A Husband After God's Own Heart* (a Gold Medallion finalist) and *The Bare Bones Bible Handbook*, has MDiv and ThM degrees from Talbot Theological Seminary. He has served in various pastoral roles for 25 years and on The Master's Seminary staff for ten years. Jim and Elizabeth have two married daughters and are grandparents.

Great read for my tween. I am excited to see her having fun learning about the Bible with such good

foundational lessons. My pastor husband signed off on this book!

Excellent introduction and overview to the bible for teens. I used this book with my mentee and he was so grateful for the way the book gives an overview of the structure of each book and plenty of context. My teen was so relieved to finally find a book that did such an excellent job with the structure of the Bible.

This book is an excellent source for overview information about each book of the bible. I am a 7th grade Bible teacher and I am using this to introduce the students to each book of the Old Testament before we have our lesson on the book. It gives not only a great overview, but there is also a quick reference to 'big' events that took place in the book as well as thought provoking questions for life application. An excellent resource. There is also a book for adults. I have both of them and there is very little difference between the two. If you have one, there is no real need to get the other one.

This Bible is perfect for teens and adults alike. It explains each book of the Bible in a very simple and easy to understand way. It has questions to reflect on, and life situations at the end of each book. This Bible not only helps you to have a good understanding in your mind, but also help the words to seep into your heart.

My son and I are really enjoying this study. I love how it breaks each book down into the main concepts and then has Bible verses to read through to teach those.

Just what I wanted for my 10 year old grandson.... Very well written to help learn the Bible and written for teens.

Super book! Well worth it.

This is a great resource book for teaching Sunday School classes of all ages; I use it for middle school age children
