no problems!

THE CONSTRUCTION OF DOVER SCORES--THOUGH ALWAYS GOOD--HAS IMPROVED GREATLY!!!

I just received the score today and I'm already in love with it. What a wonderful piece! The writing is

exquisite and the print is very easy to read. The score itself is durable and, with a little pressing, lies flat on a table or music stand. It's the largest size available (which is what I prefer) and, most importantly to the starving music student, it's cheap! A must for musicians and concert-goers alike.

Although this is a "miniature" score, the print and presentation are clear and legible. Well worth the price, and an excellent addition to anyone's score collection.

i love it so much, Heavy product with good balance good product with high quality. very recommend . great and good experience.
