Card Tricks For Beginners (Dover Magic Books)

Synopsis

Here's an excellent guidebook for people who want to learn how to perform card tricks without having to spend wearisome hours practicing. Thirteen diagrams and easy-to-follow directions provide the novice with fundamentals for successfully mastering more than 50 impressive techniques – among them The False Shuffle, The Corner Crimp, Sensitive Finger Tips, Palming, The Glide, The Slip Force, and Reading the Pack. No special dexterity is needed to successfully complete any of these methods. With its special emphasis on presenting magic for the spectator's entertainment, Card Tricks for Beginners was acclaimed by Hugard's Magic Monthly as "extremely well done."

Customer Reviews

I didn't realize how old this book was. I still haven't checked the publication date but the print type inside makes me think old! My son looked at it and said, mom, that's what youtube is for. Probably he will never read this.

My kid learned a few tricks so it was worth it for me.

bought for my granddaughter to learn tricks while having snowy days up north

great

I bought it for my grandson, who was interested in easy to do tricks. Book was good but not enough pictures.

Good fun

This was purchased for a ten year old who was very excited to get it. It is easy read and to follow the directions.

Got this for my grandson, he really enjoys it and is learning lots of fun tricks. A good way to start learning card tricks.
