Language: English

ISBN-10: 156966319X

ISBN-13: 978-1569663196

Product Dimensions: 10.9 x 8.6 x 0.2 inches

Shipping Weight: 8 ounces

Average Customer Review: 3.6 out of 5 stars 4 customer reviews

Best Sellers Rank: #920,186 in Books (See Top 100 in Books) #26 in [Books > Travel > United States > Colorado > General](#) #965 in [Books > Reference > Atlases & Maps > United States](#) #1781 in [Books > Reference > Atlases & Maps > Travel Maps](#)

Customer Reviews

As well as maps of state and even small Colorado towns, annual events in those towns and the month in which they occur are listed and critical information, such as library and hospital addresses and phone numbers.

Nicely detailed maps at a bargain price

not what I wanted. it does a poor job of mapping county roads, which was my reason for buying in the first place

This is the smaller version of the large Colorado road maps. You can use this while driving and the larger one is too big. I use both. This has Colorado main cities road maps and includes info such as addresses and phone numbers of local important services. A great source of info for the out of state visitor. The larger map can get you into trouble as it lists roads that can be bad to travel. If you're a native then the larger one may be the one to get. Also the map is 2003 data so some info could be out of date.

This atlas in stores is larger, with more pages(i.e. sectional views and detail). This version is smaller but severely lacking in number of views and detail on those views. A good portion of the atlas is 'informational' text filler, not maps. The price for the more complete version in stores is the same as non-discounted price from so appears to be the same atlas and quality. It isn't and there's no way to determine from that it's an inferior product.
