Mom's Family Wall Calendar 2018

Synopsis

Mom & Dad's Family Calendar is the 17-month calendar that not only keeps pace with Supermom, but does it with inimitable style and panache. (Because what says panache like Sandra Boynton's befuddled pigs and cool cats?) The roomy grids are arranged vertically, with 5 columns across the top—one for each member of the family—and days of the month running down the left-hand side. The planner-like format makes it easy for Mom and Dad to keep track of what everyone in the family is doing, when. It's the perfect balance of no-nonsense organization and rhino in a hammock. The 17-month calendar begins August 2017 in time for the start of the school year. Includes 9 big, all-new magnets, plus a drop-down storage pocket and 500 full-color stickers.

Sandra Boynton is a popular American cartoonist, writer, and songwriter. Since 1974, Boynton has written and illustrated over fifty children's books and seven general audience books, including five New York Times bestsellers. More than 60 million of her books have been sold—“mostly to friends and family,” she says. She has also written and produced five albums of award-winning children's music. Three of her albums have been certified Gold, and Philadelphia Chickens, nominated for a Grammy, has gone Platinum. She lives with her family on a farm in New England.

This works really well for organizing a family of up to 5. I wish it had a little less going on as the calendar seems really busy before I even add our events. The stickers are fun, but add a bit more chaos. For years I had a calendar set up just like this, but it was much cleaner in the set up, Children love bright colors and characters in books, not sure mom's need all that on the calendar. But, this does keep us organized by family member.

I use these every school year (starting in August). I can get the whole school year in here without having to wait for the next year's calendar. Great for organizing family members. There are five slots. We use our 5th slot for our pets. Easy to follow. Keep a pen on it for easy updating and use the pocket for take out menus or what not.

I buy this calendar every year & have turned multiple friends on to it. It easily organizes my family of 5. Everyone has a space and everyone's "stuff" fits on this calendar. The pocket is very convenient for keeping notices and forms close at hand.

Love this calendar, I buy it every year. Lots of space to write for each person in the family.

my daughter in law..but far to many little sticker reminders that don't come close to needs of a young mother.Otherwise pretty neat.

Always love Sandra Boynton. This calendar is amazing - helps keep the family organized and keeps this mom from losing her mind! ;-) Love the stickers; kiddo likes to help place them - nice to get the family involved in keeping it all together. The magnets are whimsical and always useful!

Always my favorite!

Loved it!
