# CHEMISTRY STUDENT EDITION

## Synopsis

Chemistry--looking at what matter is made of and how it behaves, down to the subatomic level--comes alive with this new text. With enticing, full-color graphics and page layouts that draw students in, Chemistry provides a clear, sound basis of scientific knowledge. Besides presenting chemistry fundamentals, the text offers bonus features that dispel common myths and provide examples of connections between chemistry and the environment, technology, and consumer choices.

## Book Information

Hardcover: 840 pages

Publisher: Pearson/AGS Globe (April 7, 2006)

Language: English

ISBN-10: 0785440453

ISBN-13: 978-0785440451

Product Dimensions: 7.7 x 1.5 x 9.4 inches

Shipping Weight: 3.2 pounds (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 stars 4 customer reviews

Best Sellers Rank: #250,768 in Books (See Top 100 in Books) #42 in [Books > Children's Books > Education & Reference > Science Studies > Chemistry](#) #586 in [Books > Textbooks > Education > Secondary Education](#) #904 in [Books > Science & Math > Chemistry > General & Reference](#)

Grade Level: 6 - 12

## Customer Reviews

I bought this book for my home school son. However, there are too many calculation errors, just in the first few chapters, to make this a reliable resources I was disappointed because the brand is usually dependable.

this book covers all the essential topics of chemistry in an easy to follow manner. I read this book after i had taken chemistry in college years back and can say that what it covers is very similar to what is covered in college in a General chemistry course.very satisfied with the purchase.

Book received as expected in super condition. Still confused by edition but not the fault of sender.

help me a lot. for my friend , suit for this price . just fine. This product is sleek, light, and extremely sharp! For what I paid, I thought this was going to be a Walt-Mart knock off quality bread product, but this thing has sliced through every bread I've thrown at it like butter! The handle is also really well designed and easy to get a good grip on, so getting nice, even, straight slices is really easy.
