Memory Care Guidebook

Synopsis

A clear, concise and practical guide: Memory Care Guidebook presents an array of situations a family caring for a loved one with dementia might find itself in, and real, proven solutions families have used to overcome these problems. Recognizing that no two situations are identical, this guidebook emphasizes the importance of adapting certain strategies and encourages experimentation, all with the ultimate goal of finding the perfect solution for whatever circumstances your family is experiencing.

Customer Reviews

Check out a few of the great reviews we have gotten on the Memory Care Guidebook so far!"The Home Solutions Guidebook is an amazing tool for understanding all aspects of caring for a loved one with dementia. This guidebook provides solutions to all types of problems including communication, planning and home modification."-Dr. Abhilash Desai, Director of the Center for Healthy Brain Aging at St. Louis University"This book should be a very useful tool for caregivers. The authors not only introduce real life examples of situations that challenge caregivers, but discuss real-world solutions that have been effective in dealing with difficult behaviors."-David Carr, Memory and Aging Project, Washington University Advisory Council
