Violin Concerto In E Minor (Dover Miniature Music Scores)

Synopsis

Long one of the most beloved concertos in the violin repertoire, this work features important formal innovations that place it on a par with the most significant works in the genre, including the violin concertos of Beethoven and Brahms. An utterly carefree mood permeates the work.

Customer Reviews

Thinking I was receiving a "usual" sized music book, I was surprised when I received something much smaller, making it difficult to read the music. If I were to use it, I'd have to copy it to a much larger size.
