Bible Prophecy And Trump: Daniel Prophesied A Goat Stubborn King Of The West Will Make His Nation Very Great In The End Times Then The Unthinkable Occurs Over 150 End Time Prophecies

Synopsis

The world is uneasy at the United States' election of Donald Trump as its forty-fifth president. One could not help but take notice at his meteoric ascendancy to the presidency after publicly breaking every norm and social mores that polite society holds dear. The name "Donald" means world ruler, and no he is not the antichrist, but he is a man of destiny. Open a King James Bible and read Daniel chapter 8 with a dictionary and you cannot help but see that he is the prophesied king of the west who "at the time of the end" will fulfill the prophecy in making his nation "very great." (Daniel 8:9) Televangelists are failing to inform their audiences of this prophecy that once served to predict the rise of Alexander the Great, as a mighty western Grecian king, who would conquer the Mideast; that no one could withstand. He put Europe on the map as a force to be reckoned with. The prophecy states in itself that it will again serve "at the time of the end" to identify a king of the west with the disposition of a "he goat" that no nation will be able to withstand as he makes his nation "very great" prior to the rise of four other nations out of whom the antichrist will rise "in the latter times," whom Daniel calls "the little horn." (Daniel 8:9). Daniel was famous for interpreting "the handwriting on the wall" in the kingdom of Babylon called Iraq today. This is the same Daniel of the lion's den who wrote of a prophetic vision he had in front of an Iraqi river that was designated for an "appointed time" - "the time of the end." His dual purposed vision points out that in the end times a "strong" leader of the west, whom Daniel identified as "king" with the character of a Billy goat will be known for his stubborn personality. The prophet wrote that this king of the west calling him in parable a he goat who will be moved with "choler." Webster's defines choler as "a ready disposition to irritation. 2) Irascible marked by a hot temper and easily provoked to anger." Oxford dictionary defines "being moved with choler" as "a peevish temperament easily provoked to anger." Daniel forecast that "at the time of the end" this king of the west will "be moved with choler" with his ire stirred against Persia, called Iran since 1936 (Daniel 8:5). The first portion of Daniel eight is in parable form describing the western leader as launching an air attack as a "he goat" whose "feet touched not the ground" as it tackled "the ram having two horns." The parable is revealed later in the chapter describing the "two horns" as the kings of Media and Persia/Iran. Daniel prophesied that "at the time of the end" a king of the west will trample the leaders of Iraq and Iran into the dust. On September 11, 2001, a king of the

west was caught flat-footed when he was reading a children's book "My Pet Goat" to school kids in Florida, when his nation was air attacked as. Later, this western leader, President George W. Bush under his motto "Stay the course" initiated an unprovoked attack on Iraq in a war named "Iraqi Freedom" leading to its dictator (king according to Daniel) Saddam Hussein being toppled in death in 2003. This was the first stage of Daniel's prophecy. Presently, in 2017, this war still endures, because Daniel predicted that the West's attack near the territory of Media conquered by Alexander must also topple Persia's leader. However, when this he goat king from the west defeats Iran Persia, Daniel writes that his nation will become "very great." When "the king of the West" destroys this second king being Iran's leader, then his nation will become "very great" according to Daniel 8:8. As the world reels in amazement at the election of Donald Trump, the prophet Daniel wrote regarding kings he was prophesying about and dealing with was "to the intent that the living may know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will." (Daniel 4:17) Trump has come to the kingdom for such as time as this

I really liked this book. As a Christian who follows prophesy I learned a lot.

This is a very good read to kick start your own search and study of Biblical prophecy.

If you are a Christian and know the Bible our world today is following the same path that has happened in the Old and New testaments. It is a good read.

Very interesting, very informative. Food for thought. Glad I bought it.

Read this book, even if you've read dozens of other books on end time prophecy! James Warden's recognition of Donald Trump as the "he-goat" in the book of Daniel is timely and uncanningly accurate. The author writes this book in an uncommon format that illuminates 150 selected prophetic passages from the Bible in logical order, with revealing historical perspectives and insightful descriptions. I now see how all the parts come together and what the future holds. I've read way too many prophetic books to count, but this one caused me to stop and think, breathtakingly catapulting me right into the heart of today's eschatological reality!

loved it

Excellent book. Easy to read and understand. The best thing is that all these prophecies are the literal Word of God, right from the bible, spoken by God's prophets and Apostles. A lot of prophecies have already come to pass. Once you start to read this book you can't put it down. It's a must read for Christians in these end times!!

very disappointing. There was no new material in the book and the material on Trump was very limited. I wouldn't have wasted my money and time rreading it if I had known better.
