Complex but cool that's enough for me

for my 4th grade son, a big minecraft fan. this book was a nice story, funny at times. he got thru it fast!

My son (8yr old) loved it, he said it was very entertaining and kept him turning pages.

I choose this rating because it's not like the movie. What I liked about the book was when everyone goes in the maze and kill all the Zombie Creeps or ZC.

Very fun read.

Have you ever thought of taking the Maze Runner characters, messages et cetera and then switching them up but keeping the main themes and adding Minecraft? This is what: Steve The Minecraft Maze Runner is. I'm pumped for: The Torch Trials to come out!

If you are a fan of Maze Runner, or Minecraft... or even if you're not, this book is a lot of fun to read. It mixes in elements from both worlds to make a delightfully entertaining and captivating story. I was hooked from the first chapter, always curious to see what would happen next. This a wonderful combination of adventure and comedy. Highly recommended

I liked this book because it was exciting to read. When the torch trials come out I will read it.
