The Legend Of The Enderme Book The Encounter: A Minecraft Novel

Synopsis

This story is about a young lad named Steve who always wanted to be an adventurer. Living in a peaceful village along with his family, neighbors and friends, everything was going well. But something deep inside him stirred and his hunger for adventure grew as he grew older. Inspired by both his father who was an extraordinary crafter and his mother a whiz at reading ancient text, he set out on his own at a young age. He enjoyed his time alone in his own little house in the middle of a forest just beside a flowing river. He would mine, hunt and craft âtil his heartâs content, but he was unaware of the danger that was about to come. Few months after he finally settled in, he encountered an unknown being that filled him with terror and fear. Drowning in utter fear and despair, he stumbled upon a book that revealed what was about to come. Written within the book was a tale of terrifying beings invading the World and bringing forth its inevitable destruction. As he flipped through the last few pages it revealed a way to stop whatever was about to come. Here starts his journey in search for the Chosen ones and save the World. Will Steve succeed? Or Will he fail?
