The book "victory and the all stars academy" was so intense that I was holding my breath almost the entire time I was reading this book!

So exciting! This is the best book series EVER! I could not put it down so if you love horses, you will love this book series

Same as I have said before. Really good books for young teens. Even though I am older person I like the stories.

fast and in time, i love it , feel very good . have a good experience. Very nice product - sharp, good weight, looks great.

I loved it sooo much.I was kinda anowed the way deedeed acted but i got usto it.If you are a person who has wanted a horse forever and have high hopes for riding you will love this book.

This is my favourite book out of Pony Club Secrets. I still don't get why Stella was chosen to go to the Young Riders Challenge. I'm sure Ben or Dan should of gone because Dan won the Horse of the Year. I love the bit where they find Wombat and when they go and feed him. Dee Dee is one of my favourite characters because she is hilariously funny! I would defenately rate this 10/10 and 5 stars.
