Snow White (Once Upon A World)

Synopsis

The classic story of Snow White gets a fresh twist in this vibrant Japanese spin on the beloved fairy tale! Once upon a time, there was a princess called Snow White. She lived in a magnificent castle with her stepmother, a beautiful but wicked queen... The classic tale of Snow White gets a fresh twist in this debut title of a brand-new board book series, Once Upon a World. With Japan as the backdrop, and beautiful artwork from Japanese illustrator Misa Saburi, Snow White is still the same girl who meets seven dwarves and accepts a shiny red apple—but she's totally reimagined. Once Upon a World offers a multicultural take on the fairy tales we all know and love. Because these tales are for everyone, everywhere.

Book Information

Series: Once Upon a World

Board book: 24 pages

Publisher: Little Simon; Brdbk edition (September 13, 2016)

Language: English

ISBN-10: 1481471856

ISBN-13: 978-1481471855

Product Dimensions: 6.5 x 0.6 x 7 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Grade Level: Preschool and up

Customer Reviews

Chloe Perkins is the editor and author of a few dozen books for children. She lives in Philadelphia, Pennsylvania, with her husband, Rico, and their corgi puppy/sometimes shark, Marius. Growing up in a small town in Ohio, Chloe always dreamed of writing stories that could take kids on their own reading adventures, and she's thrilled to be doing just that! Misa Saburi was born in Sleepy Hollow, New York, raised in Tokyo, Japan, and now lives in Brooklyn. She makes pictures using Photoshop, sometimes while watching soccer and silly Japanese TV shows.

I absolutely adore the Once Upon a World series! Chloe Perkins' retellings are straightforward but have a timeless quality that allows them to be revisited over and over again. And, of course, the culturally diverse illustrations provide bright, eye-catching, and aesthetically unique takes on these classic stories. And as a fan of anime and video games, Misa Saburi's rendering of Japan is a particular delight! With as many iterations of these fairy tales as there are, I've loved being able to build a definitive collection of boardbooks whose illustrations and writing both maintain a consistently world-class quality. Reading Snow White to my baby is a bedtime treat for both daddy and daughter, so now I'm eagerly awaiting The Princess and the Pea... and anywhere else these books will take us!

Of all the Once Upon a World books, this one strikes me as the simplest story. Nevertheless, the illustrations are still brilliant, transporting the reader to Japan. The text tells the full story of Snow White in just enough words to hold the attention of a toddler. It is a perfect bedtime story. Overall, my daughter loves all of the Once Upon a World books and we look forward to future titles.

Love the illustrations, will definitely be buying more from the series.

My two year old daughter loves this book and cannot get enough.

Beautiful rendition of Snow White! Love that it's a board book.

Great illustrations.

Great book for my toddler

Great book!
