I highly recommend this book for anyone that collects or sells Coca Cola items. Lots of color photos, prices, and info on the items, etc. This book has a lot of items that are not in the Summers Cola price guides. Overall this is a great book. Its a older book but still worth buying as the prices don't really change that much from year to year overall. I give this book 5 Stars. Thank you.

A variety of categories duplicating your future collection!
