Card Games Properly Explained: Poker, Canasta, Cribbage, Gin Rummy, Whist, And Much More

Synopsis

Do you turn down invites to poker games because you don't know the rules? Then Card Games Properly Explained is the book for you. Arnold Marks's handbook will teach you not only what you need to know to play the game, but how to play to win. He will teach you Whist and its variations: Solo and Napoleon; Poker and its variations like Seven Card Stud and Deuces Wild; Cribbage; Rummy – the forefather of Gin Rummy and Canasta, among others; and more. Written for the novice player and to help players looking for a book to decisively settle arguments with clear, understandable rules, Card Games Properly Explained is a great book to have on hand in any game room.

Customer Reviews

The book arrived in a timely matter & in new condition. I was looking for rules for Canasta. It is worthless for that reason (it has rules for Latin American version, not Classic or Standard). It may be fine for other card games, I was not interested in those.

It has been a month since I order and still have not have received it . just wonder when it will get here.
