

# My Catholic Faith

## Synopsis

The classic 1954 edition of this fabulous catechism is available again. 193 chapters in three sections: What to Believe, What to Do, and Means of Grace. Abundant Scriptural quotations (excellent for proving Catholic Doctrine to "Bible-Believing" Protestants). It's also an excellent tool for dealing with liberal Catholics because two subjects of utmost importance are thoroughly treated: the true nature of the Catholic Church (today denied by false ecumenism) and the Holy Sacrifice of the Mass (today obscured by the New Mass). This catechism is known and loved by Catholics because of its timeless texts, charts, lists and graphs. Profusely and beautifully illustrated! The durable burgundy and gold-embossed hardcover makes it a family heirloom.

VERY INFORMATIVE CATECHISM ! Good for people to study all the time....I am new to the faith and have to constantly pull something up and this book helps out. Some things are little old like the Mass but that is stuff that anyone can use some reason to delete through study.....all the information covered is necessary for a well rounded faithful soul. but it's a 5 star book. I recommend this catechism to everyone. thanks for making the book available .COM at a very good price.

This book has become a family favorite! No matter what question you might have about the Catholic faith, you'll find the answer in this book. We like that the descriptions are formulated in easily understandable language. The illustrations are beautiful classic black and white drawings of scenes related to the page's content. This book has become THE confirmation gift for family and friend's families.
