Vocabulary For Civil Service Tests

Synopsis

Competition for civil service jobs is tough, so applicants need to be prepared for the qualifying civil service exam. This book is the best resource to improve verbal skills to succeed on any civil service test. Readers will not only learn about the different types of civil service exams, but also about the most effective ways to prepare for any test, including preventing test stress and creating a study plan.

Customer Reviews

This book refreshed my memory and helped me better prepare for a Clerical Test I had to take at my work!

Extremely boring, but then what tutorial isn't. It is necessary and therefore quite good. It helped me get a new job, but also put me to sleep on numerous occasions. My recommendation....study in a straight back chair with plenty of coffee (expresso) handy!
