# Fugitive Of Magic: Dragon's Gift: The Protector, Book 1

## Synopsis

In the city of Magic's Bend, I protect what's mine. To the world, I'm a feeble Conjurer. To my closest friends, I'm a dangerous Magica with unexplainable powers given to me by a dragon. The downside? If anyone discovers what I am, I'm dead. So I lay low - kicking ass with my weapons, not my magic. Things go to hell when I witness the murder of a powerful vampire ally and become the key suspect. Soon, I'm hunted by the sexiest, strongest supernatural I've ever met. Ares is an unheard of vampire hybrid, and it's hard to say if he wants to screw me or screw me over. I've got three days to catch the real killer. The bad news? It will take my forbidden magic to succeed. But can I control it, much less keep my secret with Ares watching my every move? I'm used to protecting others...now I have to protect myself.

## Customer Reviews

This was a fun read. I like the main character, the three "sister" a lot. I would like to see more of their interactions. It was fairly predictable concerning the 'hot' guy, but it was handled well. I novella that precedes this was informative concerning their back stories. This was a little short but the basic premises were fun. I took one star off because of the brevity. It is a promising start for a fun series. This won't go down as one of the great fantasy books but it is enjoyable.

I would recommend this series for any one who enjoys a fast-paced action tale with plenty of tongue in cheek humor to go around. I've read this series from the beginning, starting with Cass's story, and

they just keep getting better and better!

Fantastic enjoyable book!! love the Characters & the magic. Can't wait for Nix's last book & what series Linsey will come up with next!

good series continues

Love it

The book was very interesting. It kept me so interested I had to finish it. I wanted to get the rest of the story.

I have loved all the Dragon's Gift books! This is no exception! Of course I am partial to dragons! Excellent series to get wrapped up in!

It is the first book in the series and I can't wait to finish her story. Fugitive of Magic is filled with excitement that keeps you reading!
