## Customer Reviews

I bought two of these books for my Canadian friends who just had babies. The Canadians are super into their hockey, and this book was perfect. The pictures and words were great for hockey fans and babies alike. It was well made and well presented and a big hit with the babies parents!

Love this little book, and my almost 2 year old nephew could read this book over and over again! He has learned so many of the hockey vocabulary with this book. The pictures are perfect, and he has even begun to make connections from watching his big cousins play hockey!

Adorable! Purchased for a hockey loving first time Dad

Very cute book!

Really cute pocketbook for the first one for a little boy he's only nine months old but he loves books it was great and it was hard covered

Perfect book for future hockey lovers! Aesthetically pleasing illustrations and easy to read pages.

My 2 year old loves this book! Each page tells you one word about hockey (page 1: stick, page 2: puck...)

Cute 1 word per page and real pictures (not drawings)
