I have seen great improvement in the writing skills of my student in the few months we have been following Killgallons' approach of using examples from great writers as a method of learning English grammar.

Wonderful concept and great way to teach sentence development. My students like the ideas and it makes it easy for them to look at sentences and think out how to construct good ideas.

Great!

This is a wonderful way to teach grammar!

Great for when we used it for ENGLISH

I purchased these for a teacher in my school district as requested. She has been very happy with them so far.

We've used parts of it, but it's not helping a student who has difficulty writing in the way I hoped it would. Parts of it were difficult for me to deal with, and I've taught for over 30 years....

Gave as a door prize at a workshop I presented at a back to school conference. Winner was thrilled.
