Customer Reviews

Martin and his friends get help in their quest to stop the madness. The cave they discover may be a key to the creation of Minecraft.

This book ecked! I loved the way that you put little extra plots in it, and how you kept th most suspensful moments at the last part. Please keep making more books, and dont give up. Also, here are some names scorpcraft is savior of all zeke the chicken jockey helps too and chimera names

are lilypad yeads and fuffles. by the way scorpcraft is a nice human.

I love this book. It was a awesome idea for the Jack-In-a-box. Can you please make a chimera called Callie and please make her half cat and half ocelot. She would like to be back to being a ocelot and would be rescued by Martin. Again, I love this book so much.

From my 7 year old: I loved your book by the way Can there be a chimera named Buddy? half wolf half chicken wolf head and chicken body. And not be bad

I want my name in book 3. I love this book and have book 3 out soon. Also my name is Reilly. So please put my name in book 3
