Exalted Malfeas: The Compass Of Celestial Directions, Vol. 5

Synopsis

A Guide to the Demon City The fifth of five books dedicated to the supernatural locales of the Exalted setting, this supplement focuses on Malfeas, Hell of the Exalted world. Prison to the Yozis and their demon spawn, Malfeas is a twisted place formed from the very flesh of the defeated leader of the Primordials and containing the remainder of his vanquished cohorts. Imprisoned since the dawn of the First Age, these incomprehensible beings have bided their time, waiting for their chance to escape, claim vengeance on the gods and their champions and regain dominion over Creation. And with the birth of the Infernal Exalted and the corruption of the one who now leads them, that chance is now. Will Creation's Exalted be able to set aside their differences to end this threat, or will the akuma among them sabotage the Exalts' efforts from within? A setting book for Exalted, Second Edition, featuring:

- Details of numerous locales of the Demon City, many of which are living aspects of the Yozis themselves
- A myriad of demonic luminaries and demon-beasts for use in any Exalted series
- Everything players and Storytellers need to play series based in the prison of the damned

Customer Reviews

A great book on the demon cite malfeas for Exalted 2ed so have fun with it.:]

This book consists of: Chapter One: A History of Hell Chapter Two: Life in Hell Chapter Three: To Rule in Hell Chapter Four: The Demon City Chapter Five: The Damned I quite enjoyed this book, as it described all the types of bizarre things I expected to find in Malfeas, but could not think of myself. My favourite chapter is the 5th one, as it describes many new 3rd circle demons and stats out many

2nd and 1st Circle demons. Particularly, Sondok, which is referred to in the Exalted Core 2E book, along with some 1E material (Caste Book: Night). Overall, I feel with this book, I could take my Solar PCs there, or run an Infernal game with adequate descriptors of life in Malfeas. The art is also decent. 5 Stars for me.
