Mail Order Bride: Rocky Montana: Inspirational Pioneer Romance (Historical Tales Of Western Brides Book 1)

Synopsis

Available as part of a value boxed set [AMZN.COM/B015DFZ4FW](https://www.amazon.com/B015DFZ4FW) (copy and paste the link into your browser) Clean and Wholesome American mail order bride historical western short story romance. Been lengthened, enhanced characters and improved editing for more reader enjoyment as per my fans request. Thank you. It's 1862, and love is starting to blossom in the beautiful, rugged mountains of Montana. This historical, inspirational Western romance much loved series is about empowered women who selflessly give up everything for the improvement of their families. They turn around their hopeless circumstances in this 19th-century tale of the old West, with strong faith and discover authentic men and true love. Meet Isabelle (Belle), she's lost her Pa, her mother is feeble, she has a 15-year-old sister, their income is flat, and eating three meals a day is a luxury. Her seamstress job income is just not enough to take care of them and their once beautiful home in Pennsylvania is already dilapidating. To give her mom a better life, she takes a leap of faith, heads out West to Montana to marry a handsome, wealthy farmer she has never met. Can she overcome the dark secret that Trevor's mom has that's destined to keep them apart and destroy their love forever? Will he be all that he seems? Can Isabelle rise above the misfortune of her family and find true love and happiness? So come on down and hang out with the folks in this small Montana town including the strapping Gibson Brothers, the evil mother-in-law Mrs. Gibson and of course, beautiful Belle..... "a story of hope, fear, romance, suspense and true love.".... While this book is part of a romance series, it can definitely be read as a standalone book. Customer Reviews

I know what it's like to have bad mother-in-laws. My present one broke my husband and I up when we first fell in love. Telling me I wasn't good enough for him, I wasn't Catholic, I came from a broken family, etc. etc. etc. also telling me if I truly loved her son I would release him so he could find someone worthy of him. Like a fool I believed her, I always felt insecure, so I broke up with him. Eight years later he called me out of the blue. We both married someone else, those marriages ended because we never really loved them, we had never stopped loving each other. I never told him what his mother did. We got back together and married. His mother apologized to me and we became very good friends. Had I told my husband all those years ago he would have assured me that I was the one for him. So this story was very personal to me and I fully sympathized with Belle and Trevor. I'm so glad that she was able to help his mother see what she was doing. What I loved best was the way she made sure her son forgave his mother too. A very touching book indeed.

This book has been such a wonderful representation of historical western romance that I felt transported to that era and could actually imagine this story happening. I also read the previous book, Summer's Fury which was equally good and I highly recommend both these lovely books to all readers of historical western romance! Buy it Now!

For a short story there was a lot of information to this story. There was a lot of ways love was showed.

Some books only allowed you to read a few pages and then directed you to a page to add your email address and other information. If you didn't want to give out the information, you were blocked from the rest of the book. Not sure I like that from the author and negatively influenced my opinion of Kindle.

A great read for those who enjoy historical western romance books from at a great price. The times were hard in the Rockies as she began her new life in this snow filled area of the west.. A must read for all the events that kept me interested from beginning to end before putting it down.

This read like a 12 year old was writing a book report. Very disappointing.

What a neat mail order bride story, mothers in-laws I feel the pain. Quite the different spin on a bride story so it was a definite attention grabber.

I love these tales
