Dr Moorad Choudhry is Managing Director, Head of Business Treasury, Global Banking and Markets, at The Royal Bank of Scotland. He is Visiting Professor at London Metropolitan Business School, Visiting Research Fellow at the ICMA Centre, University of Reading, Associate Research Fellow at the School of Information Systems, Computing and Mathematics, Brunel University, a Fellow of the Chartered Institute for Securities and Investment, and a Fellow of the ifs-School of Finance.

Great introduction. Not very technical but it's a great start.

any bank manager should read this bookvery practical book for ALMAll nessesary topics are includedSuitable for Finance and ALM department employeesBut not for students,

Great if you want an initial look at ALM practices.

Great introductory book

fast delivery and good product

The book gives a nice overview of funding, liquidity risk and asset- liability management. A must have for people who are interested how a bank's treasury department works. It is easy to read with good examples for practitioners and claims only a moderate mathematical knowledge. I can strongly recommend it!
