#68399 in [Books > History > Americas > United States > State & Local](#)

## Customer Reviews

Everything was Great, Thank You!

This large, hefty book is an excellent travel guide of the Hoosier State. Modeled somewhat after the WPA Guide published in 1941, the book highlights 14 different regions from around the state. The larger cities (Fort Wayne, Indianapolis, Richmond, Terre Haute, etc.) are the starting points for each tour, with travelers being directed to various smaller towns and historical points of interest in a circular motion, finally bringing them back to their starting points again. Major historical sites are, of course, described in detail, but so are numerous minor places, including notable houses and buildings, parks, monuments and memorials, churches, and museums. The guide is particularly worthwhile for the amount of detailed information included. It is a guide to the history of Indiana and does not contain hotel/motel listings, popular attractions, outlet malls, etc. But anyone interested in the history of Indiana will find this guide of great value.
