Twister: A Party Games Novel

Synopsis

This is not how the game is meant to be played...Media mogul, Lachlan McDermott is accustomed to people obeying his every command. He's handsome, arrogant and influential with the power of information at his very control. No one however, knows he's got a weakness the mysterious model, Kole who for reason he can't comprehend, is currently in his house. Braless. Once upon a time, photographer Cameron Winters was the super-model known only as Kole. Kole ruled the runways and magazine covers until dropping out of the public eye years ago. Now Cameron does everything she can to avoid her old life until that old life finds her at an exclusive party in Sydney face to face with the one man who monopolizes her fantasies: Lachlan McDermott. When Lachlan and Cameron are pitted against each other in a game of Strip Twister, surrender isn't part of the deal. Getting tangled up is only the beginning, and scorching sexual desire will soon burn them up. But this isn't a game neither can walk away from, and it's not just their bodies getting tangled up.
