Knife Throwing: A Practical Guide

Synopsis

"Knife Throwing is the most authoritative guide on every aspect of the sport. From knives and knife throwing techniques to competition and advice, as well as profiles of pioneers and legends in the field, this book covers it all." —Bobby Branton, President of American Knife Thrower's Alliance (AKTA)

Not only is knife throwing fun, it is also a great sport, entertainment, recreation and exercise. It can be a wonderful hobby, pastime, or even a profession, and the fundamentals are easy to learn. Anyone who can throw a stick, stone, or baseball can also learn how to throw a knife with skill and accuracy. All you need is a good knife—designed for the purpose, whether made to throw by the handle or blade, a target, and a small portion of the back yard for the throwing range. Few sports can provide so much recreation at so little cost. Knife throwing is a sport in which individual skills can be developed to a very high degree. Expert knife throwing, like great proficiency in any other sport, is developed by natural aptitude and instinct combined with that one magic ingredient: practice!

In *Knife Throwing* by American Knife Thrower's Alliance founder, Harry McEvoy, demonstrates how to throw a knife successfully in chapters such as:

- It's Fun to Throw a Knife
- Choice of Weapons
- How to Throw a Knife
- How to Develop "Pin-Point" Accuracy
- How to Select a Throwing Knife
- Targets: How and Where
- Tomahawks and Bowies
- Safety Measures, Rules, and Care of Knives
- The Professionals
- Hunting: A New Twist to an Old Sport
- Tales, Legends and People

"Knife Throwing is the most authoritative guide on every aspect of the sport. From knives and

throwing techniques to competition and advice, as well as profiles of pioneers and legends in the field, this book covers it all." – Bobby Branton, President of American Knife Thrower's Alliance (AKTA)

Harry K. McEvoy founded the Tru-Balance Knife Company in Grand Rapids, Michigan in 1949. Today, Tru-Balance is one of the primary suppliers of quality throwing-knives to professionals and sportsmen alike. Harry coached and demonstrated knife and tomahawk throwing for more than 30 years and was the founder and national director of The American Knife Thrower's Alliance.

This is great SHTF stuff !!! Get ready and get prepared !!! ... Your gone to need it !! This is the book you need to learn how to throw a knife.. You can learn to do this in an apartment if you really want to learn to protect yourself..

This is a nice little book with some interesting information on knife throwing, which if you have ever tried it, is harder than you think. Filled with pictures and explanations, it covers a lot of types and sizes of knives you can learn how to properly handle before you let fly.

Delivered extremely quickly! The book is filled with great information, and I have to say that I learned a lot. Definite must by for all aspiring knife throwers!

Good information but clunky, old pictures. A little overpriced for the quality of the "book."

This is a pretty old book...however, the techniques are still valid. There is a lot of information on the history of knife throwing and how you can make a living doing it. I won't quit my day job.

Good

I read the book and there wasn't much useful information in there. Most of the book is about professional knife throwers. OK read, but was looking for more educational.

Easy to follow!!!
