Mother's Day Surprise

by **Stephen Krensky**
illustrated by **Kathi Ember**

Synopsis

Violet is a young snake who likes to play with the other animals in the forest. But when spring arrives, her friends get very busy making presents for Mother's Day. Violet is glad everyone's working so hard, but what can she do for her own mother? Without arms or legs or teeth, she can't make gifts as the other animals can. Then Violet discovers that there is one thing she can do that's different—and comes up with the most original gift of all!

Good read ,

This was a beautifully written book! My grandsons loved reading it aloud. Everyone has a very special mother's gift to share!

Great book!

My 7 year old loved it!

Book is good for my early learners. I was able to use the text for Mother's Day as well as a reinforcer for my lesson on snakes.

Es una linda historia.

Excellent copy!

Am saving it for Mother's day before I read it to my kindergarten class. I am sure they will love it.
